

CALLAHO'S BIGUINE VIMAJE (IMPORTED)

This mare is a direct import from the breeder in France, one of the very best producers of Anglo-Arabians in the world. An extremely elegant blood-type with an affectionate personality, she is an ideal foundation mare to cross with an eye on the future of showjumping sport. Having produced two lovely daughters for us by Sampras and Lissabon, she is now for sale confirmed in foal to the one-of-a-kind, extraordinary Carnaval la Silla.
