

We just love this horse! Con Cato is a magnanimous pocket rocket with a huge heart and an even bigger jump. Naturally forward, this beautiful equine's size is best suited to a light rider who's sky has no limits. Even though he is naturally willing and always puts his best foot forward, he is a valuable horse who must be produced with the appropriate care and skill before being let loose to slaughter the competition.

Bay gelding DOB: 30/10/2014
