

Larina is a first-class daughter of Carina, our Hanoverian dynamo imported for breeding after having successfully competed in the big open classes as well as two Derbys. Already having produced a superior filly by Con Coriano who added his scope and rideability to her mix, it was a logical choice to go back to him to repeat the success of this cross.

Grey mare	DOB: 26/11/2010
Hanoverian	DE431316790511
Height: 15.3 hh	IFT: Con Coriano
