

A compact Iberian mare, Gitana's rideability and predilection for dressage is proven with her having been trained and competed in Junior FEI and Advanced level competition. Now in foal to Lenbach, a tall Hanoverian bred and Licensed stallion, we expect her to produce a long-lined prospect with an ideal dressage orientated combination of extreme rideability and big paces.

Bay mare DOB: 2007
 Iberian Warmblood 23307
 Height: 15.3 hh IFT: Lenbach Go-On
