

With much growing still to do, this sporty chestnut gelding is a direct son of Loni, whose ever expanding line of superior progeny in sport and breeding here at Callaho suggests that Connor's full jumping potential has yet to reveal itself. This is a sensitive, textbook jumper whose lightning reactions and athleticism indicate a serious career as a top showjumper. However, this lad also has three fluid paces so which side of the coin will end face-up is anyone's guess.
